

Theatre is a multifaceted art form that requires a wide variety of things to build sets, create costumes, and make a new world! Below is a list of materials, tools, and items that we accept as donations. Please keep us in mind as you are cleaning your houses, storage spaces, etc. or speaking with people in the community! You can also visit our [Amazon Wish List](#) linked on our website for other giving opportunities.

These items can make a difference in our programming and the education of our young people. Please let us know if there is anything you would be interested in donating or purchasing!
